
AIDS Walk takes it to the streets today

It starts with a wellness fair and ends with a barbecue.

This year's AIDS Walk ties in with this morning's Farmers Market on the 200-block St. Paul Street.

That's where the health and wellness fair is being held, and that's where registration is being conducted for the walk, starting at 8 a.m.

Live music and guest speakers will get things going before the actual walk, which takes place at 11 a.m. on a circuit through downtown.

The walk ends up back at the market and is followed with a barbecue.
