

# Warriors Prayer For Wisdom

Dear Great Spirit, grant me the wisdom to know how to walk with you.

Great Spirit grant me the knowledge to follow Your footsteps to walk in your ways.

I will sit on a mountain top by a river or creek and watch your creation as it enjoys its life of freedom.

Great Spirit guide my foot steps as I walk the great land You have given to us. Teach me to be one with you and be part of of Earth. Teach me to walk in your ways.

Great Spirit hear my prayer.
